

CERTIFICATE

ENERGY MANAGEMENT

The company

Armaturenwerk Altenburg GmbH
Am Weißen Berg 30
04600 Altenburg

has introduced and implemented an
Energy Management System

for the scope:

Development, production and distribution of armatures and components in the field of refrigeration and air conditioning as well as special components

Proof has been furnished that the requirements according to

DIN EN ISO 50001 : 2018

are fulfilled.

Compliance with the above standard was ascertained by an energy audit.
The whole energy quantity is considered within the certified management-system.
This certificate is valid from June, 30th 2020 until June, 29th 2023.
